Community Outreach: STEM in schools and Mount sion primary school

The background of the slide is a photograph of terraced rice fields on a steep hillside. The fields are carved into the slope, creating a series of horizontal, wavy lines. The entire image is covered with a semi-transparent red overlay, which is darker in some areas and lighter in others, creating a gradient effect. The text 'Internships / Graduate Program' is centered in the middle of the image in a white, bold, sans-serif font.

Internships / Graduate Program

Internships / Graduate Program
